## *Tropical Tumble Camp*

Say aloha to a full day of sunny, beach-inspired gymnastics fun! Campers will flip and tumble through palm tree obstacle courses, coconut crawl relays, and balance beam “surfing.” They’ll work on essential gymnastics skills while enjoying tropical tunes, island-themed crafts, and even a limbo contest. Whether they’re hula hooping or cartwheeling through a tiki tunnel, kids will love this vacation-vibe experience — no sunscreen required!
